

# DAKSH MAKHIJA

MALE, 20 YRS

## EDUCATION

BTECH, INFORMATION TECHNOLOGY	2020-2024	GURU TEGH BAHADUR INSTITUTE OF TECHNOLOGY	94%	02076803120
CBSE (Class XII)	2020	HANS RAJ MODEL SCHOOL, PUNJABI BAGH	92.4 %	26629259
CBSE (Class X)	2018	HANS RAJ MODEL SCHOOL, PUNJABI BAGH	92.2 %	8199696

## ACADEMIC PROJECTS

- **To-do list:**

A project on Web Development, made by using HTML, CSS, Javascript and Bootstrap framework, which provides the functionality of adding multiple tasks along with their description and you can see all of the tasks displayed on screen. We can manage the tasks according to our requirements. It also makes use of local storage to access data from browser.

- **Startup Name App:**

A project on Android Development, made by using the dart programming language along with flutter framework, which displays a list of randomly generated names for startup companies and is built with beautiful buttons and background colors, providing the feature to save a list item and then view them on a new page.

## ACHIEVEMENTS AND AWARDS

- Appreciation and Completion certificates at an online webinar by **DBT STAR COLLEGE PROGRAM DDU**, UNIVERSITY OF DELHI on the topic - "ATMEGA 328 microcontroller Arduino IDE "
- NPTEL Online certification By **Indian Institute of Technology Kharagpur**
